Registrationlink for Open Regatta

Competitors for open regattas can register themselves by opening the registration link or scanning the QR-Code below with their smartphone.

Registration Link URL

Event SNSYC 2025 Racing Season

(And the race in question...)

You can copy the URL and paste it into your invitation.

https://sailinsight30-app.sapsailing.com/publicinvite?regatta_name=SNSYC+2025+Spring+Series+Race+6&secret=Y421

QR-Code

You can download the QR-Code image and paste it into your invitation.

Regatta + Race-level Registration in one, if an Admin can do it with a checkbox and an arrow button, why can't a competitor do it with a link? This is the idea anyway.

I thought this could all stay the same, series, fleets, whatever... it just results in more rows here anyway. These rows are what I'm referring to as "Race-level"

New Share button here, at my idea of "Race-level"
